SUPPLEMENTAL AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

INTRODUCTORY COMMENTS

Please replace Figure 3 in the application with the attached new Figure 3.

REMARKS

This Amendment to the Drawings is to correct mislabeling of numbers appearing on the drawings submitted with the Amendment of 11 November 2004, namely, the openings appearing in the vehicle were labeled 16, 16, 16 with the lead lines directed to the head of the occupants while the openings should have been labeled 16, 18 and 20 as indicated in the Amendment to the specification also filed 11 November 2004. Thus, this drawing change conforms the drawing to the amended specification.
